Hondo, Medina County, Texas 78861, Thursday, September 27, 1973

'Let's go on ambulance service'

"Medina County Commissioners Court is providing Hondo, Devine and Castroville with one fully equipped ambulance for each city, and it is urgent that volunteer ambulance corps be organized immediately in each city."

This was the statement made by County Judge Jerome Decker following a meeting of a committee to set up the county-wide ambulance service Monday night in Judge Decker's office in Hondo.

Bids have been received for the ambulance vehicles and equipment, which will be ordered with delivery expected by mid-December.

Each City will have the responsibility of operating the ambulance service until July 1, at which time the county will assume the amount of deficit, if any, created in operation of the service in each town.

At that time the decision will be made as to whether to continue the service on the same basis, or change the operation in accordance with some other plan.

"Cities must get the names of

persons who agree to become volunteer ambulance attendants and start organizing ambulance corps as soon as possible," Judge Decker emphasized.

It will be necessary for each volunteer to take a course of study prescribed by the State Department of Public Health and the Texas Medical Association. Dates and location for instruction in this course now are being arranged with the State Department of Public Health.

It is required that two attendants make each ambulance call. Each volunteer attendant will be paid \$10 per call.

Basic rate for each ambulance call will be \$35, it was decided by the committee at Monday night's meeting.

An additional fee of \$1 per mile will be charged after the first ten miles one way.

Administration of oxygen to a patient will cost \$10.

The charge for first aid supplies and equipment used for a patient

THE SHOE PINCHES

... oh so tightly when "it's on the other foot", the old saying goes. And after Friday night's football game in Schertz, Owl fans have felt that pinch.

Many Owl fans never thought they would feel the pinch so quickly after the big game with Uvalde. But the Buffaloes certainly shrank those shoes down to a small size in a hurry.

What happens to a football team that can win a big game one week in a spectacular manner, and then come back the following week with a bumner! No one knows.

I am sure there are coaches in the professional ranks who wish they had the answer to that one, for the same thing happens from junior high to the "play for pay" contests.

Maybe it's an attitude. Maybe it isn't. It's a cinch, however, that something is there to get a team sky high for one tilt then come the next week and their "high" has become a subterranean "low". I'm sure every coach lies awake at night wishing he had the solution and the one who finds it can demand a fabulous salary from then on.

The situation brings to mind an incident that supposedly happened when Knute Rockne was in his heyday as a great coach at Notre Dame. His team was just tearing up the opposition and the press was giving rave notices on every team achievement.

Then came one game late in the season and the opposition refused to roll over and play dead. In fact they took the opposite tack and were pinning the Fighting Irish's ears to the turf.

About the third or fourth quarter, so it is written, Rockne sent a message into the huddle. It said: "Why don't you show them your press clippings? Maybe they haven't had a chance to read how great you are."

Did it work? I don't know. But it made a whale of a story.

GOOD STORIES

... are hard to come by, but have you heard the latest on the "flood money" found on the Medina River?

Perhaps it's true, and maybe everyone but me has heard it.

However, it seems that after one of the recent floods in the Medina River area some farmer was out repairing fences when, lo and behold, he saw \$100 bills hanging to some trees.

I'm certain he was convinced this was an alsatian Money Tree, so he is said to have gathered it in. Now, I don't know who he was, but I am gold that it is a "certainty" that some \$1500 of such money was deposited in a bank. The story even says that bank sent some of the money [or information on it] to Washington to see if Uncle Sam would legally claim it.

Where did it come from? Henry Schulte says, "from some can buried somewhere along the flooded area, probably."

Never having enough money to pay all my "wants" much less enough to bury some, I was hard pressed to accept the "can story". But Henry insists there is a high possibility that such "cans" do exist.

"Why," he related, "one time a man from the river area was going to buy some land in LaCoste and he told his son to bring the can with the money in it.

"Now, when they got to the point of exchanging the money for the land," Henry continued, "they found they were short of cash.

DID YOU KNOW... this size water hole existed in the east part of Hondo? Most people don't, except those residents living in the

area. This is the gravel pit that helps cause the flooding in that area, and Hondo Street Superintendent, Lloyd Hermes, and Precinct 1

Commissioner, Fred Bader, take a look at it on a recent inspection. Since the inspection the City Council has made no definite

announcement on its plans to alleviate or eliminate this condition. [Photo by Joe Fohn]

Flood Insurance Program offers partial protection

The National Flood Insurance Program, which is said to be one of the most effective tools available for flood plain management, has been the topic of at least two recent meetings in Hondo.

Prompted by recent flooding, the program has highlighted the agenda at the recent RC&D gathering and the AACOG County Program Planning Committee.

The National Flood Insurance Program is basically designed to: survey and map flood hazard areas, enable those living in flood plain

areas of participating governmental jurisdictions to purchase low-cost flood insurance, and enable participating governing bodies to eventually eliminate non-flood proof development in flood prone areas.

Urgency Told

An urgency had been injected into the program by the placing of a deadline. The emergency period ends in December of this year. This means that local governments applying after that time will not be eligible for the sale of flood insurance until flood plain surveys have been completed.

M. Tyler Probasco, director of land use planning for AACOG, met with Chairman Harlan Wolff and members of the RC&D committee last week to provide the details and answer questions on the program. "This program can be approved by either an incorporated city or the county," he said. "Medina County could approve it for such areas as D'Hanis, Quihi, or any area along the creeks or rivers."

Dropped Here

Flood insurance was discussed by the Hondo City Council about a year and a half ago, but after the appearance of representatives of governmental agencies the matter was dropped and never revived.

"To date," Probasco said, "only three counties -- Bexar, Guadalupe and Comal -- and seven cities --

Seguin, New Braunfels, Terrell Hills, Leon Valley, Alamo Heights, Live Oak and San Antonio -- are qualified for the sale of flood insurance."

Al J. Notzon, III, Executive Director of AACOG, had this to say in a recent letter to all elected officials in the AACOG region: "The recent flood conditions and resultant loss of life and property, have again reminded us of the need to offer whatever protection is available to those living in flood hazard areas, and to begin to discourage future development in flood plains."

Established 1968

The National Flood Insurance Program was established by the National Flood Insurance Act of 1968 to make specified amounts of flood insurance, previously unavailable from private insurers, available under Federal auspices. In return for the provision of subsidized insurance to existing properties, the Act requires that State and local governments adopt and enforce land use and control measures that will guide land development in flood-prone areas in order to avoid or reduce future flood damage. A 1969 Amendment to the Act expanded the definition of flood to include mudslides, and mudslide area restrictions are also required, wherever applicable.

To qualify for the program, a

community must submit a complete application to the Administrator for the entire area within its jurisdiction. Copies of adopted land use and control measures which are consistent with standards set forth in program regulations must be received along with other items pertaining to the nature and extent of flood hazard in the community. The FIA Administrator will, on request, furnish local officials with a packet of information and suggested forms to enable a community to apply for eligibility in the program.

Buy From Anyone

After a community begins participating in the flood insurance program, flood insurance policies may be purchased from any property and casualty insurance agent or broker licensed to do business within the State.

The policy, which is handled like any other claim, covers losses resulting from a flood, which is defined in the flood insurance policy as "a general and temporary condition of partial or complete inundation of normally dry land areas from: overflow of inland or tidal waters, the unusual and rapid accumulation of runoff of surface waters from any source, mudslides which are caused or precipitated by accumulations of water on or under the ground."

The policy does not cover water or mudslide damage which results from causes at the location of the insured property or within the control of the insured. It does not cover water or mudslide damage unless a flood, as defined above, occurs in the area where the insured property is located and the water or mudslide damage is clearly the result of that condition. It does not cover erosion losses or losses resulting from floods or mudslides already in progress at the time of application for coverage.

Coverage Described

Insurance at subsidized premium rates may be purchased for any existing building or for any building whose construction was started before the date of publication by the Federal Insurance Administration of the Flood Hazard Boundary Map of the community.

All subsequent new construction in the special flood hazard areas, as identified on the Flood Hazard Boundary Map, will not be eligible for flood insurance except at actuarial rates and, therefore, owners of such structures must await completion of a Federal rate-making study of the community to obtain such insurance.

Insurance at the subsidized rates may be purchased in amounts up to \$17,500 for single family residential structures and up to \$30,000 for all other structures. Contents coverage is available at subsidized rates in amounts up to \$10,000 per unit and may be purchased by either the owner or the tenant.

Flood insurance policies, which may be purchased as low as 25 cents per

TOP GRAIN-YIELD GUESSER.

Charles R. Mumme (left) of Hondo receives a \$25 gift certificate from E. R. Leinweber Co. for picking the top-yielding grain sorghum variety on a Crop Tour held last July. Presenting the certificate is County Agent, Glenn Bragg. Mumme correctly estimated that Funks 522 would be the highest-yielding variety in the plot on the Emmett Wurzbach farm in Rio Medina. His estimate of 4,120 pounds per acre was the closest estimate to the actual yield of 4,061 pounds per acre.

Harvest is great!

Medina County's economy should be about \$8.4 million dollars richer, now that the 1973 grain sorghum is almost completely harvested.

Except for a few isolated fall crops and approximately 40 percent of the corn harvest (which is still in the fields as producers wait for moisture content to drop), an estimated 70,000 acres of grain sorghum have been harvested, reports County Extension Agent Glenn Bragg.

Average yield of this acreage was 3,000 pounds per acre.

According to these figures, total grain sorghum production is calculated to be 210,000,000 pounds. If the Average price received were \$4.00 per hundred (and this is a close estimate), grain sorghum alone generated \$8,400,000 gross income in the County.

"This is the highest I can ever remember," says Bragg.

Food Stamps begin Monday

Food stamps issued under the new statewide food stamp program begin circulating in Medina County Monday.

The new statewide food stamp program replaces the commodity food program currently operated here.

The State of Texas is responsible for the administrative costs of the food stamp program and the State Department of Public Welfare is administering agency for the program.

Most retail grocers will accept food stamps for the purchase of most foods and food products. Food stamps enable low-income households to increase their food purchasing power and enhance their diets.

Authorization To Purchase (ATP) cards are mailed to certified households each month telling them how many stamps they are eligible for and how much money they must pay for them. Size and household determines the food stamp allotment. Total net income determines how much, if anything, the household must pay for the stamps.

The ATP card and the necessary cash is then redeemed at the Post Office in Hondo, Castroville and Devine for food stamps.

The amount the household is required to spend for their food stamps is about equal to the amount they presently spend on

food. Bonus stamps are issued to make up the difference between what a household can afford for food and what is necessary for a nutritious diet.

Bonus stamps increase the food purchasing power of the certified households.

Persons who do not receive food stamps but think they might be eligible should contact the food stamp office at Hondo Air Base, Hondo. The telephone number is 426-2231.

Action at library is amazing!!

You can't believe the action our Hondo Public Library has!

Then, maybe these figures from Librarian, Lottie Maw, will help convince you.

Memberships totaled 4,872 (this is from July 1, 1972 through June 30, 1973); there were 10,193 books on the shelves; the public was issued 12,064 books and 6,425 magazines, paperbacks, etc., for a grand total of 18,489.

MEETING CHANGED

The regular Chamber of Commerce Board of Directors meeting scheduled for the first Monday in October has been changed. It will be held at noon on October 8 in the New Frontier Restaurant.

Letters from the mailbox

Hondo Chamber of Commerce

Dear Burnis:

The Hill Country Trail tour taken by our New Braunfels Blue Coats was a great success. Your special effort in making the trip a success is greatly appreciated by the New Braunfels Chamber. Because of the enthusiasm shown by you and your community, we will work that much harder in trying to establish an active and effective Hill Country Trail Association.

I am sure you will be hearing from Cal Newton of Uvalde, in the very near future. We are encouraging him, as the ranking officer of the Hill Country Trail Association, to call a meeting of those interested, and lets get the show on the road. Perhaps a meeting in Bandera would be appropriate.

Again, thanks for your interest and hospitality.

Sincerely,

Tom Purdum

More about....

Ambulance

will be actual cost plus a percentage coverage which was not definitely set, and will be decided later.

There will be no charge for waiting time until after the first 30 minutes. Waiting charge after that will be at the rate of \$25 per hour.

State law requires ambulance service to be available at football games, and the decision was made by the committee to have ambulances on hand at each varsity football game in the cities of Hondo, Devine, and Castroville, and be on call at football games in other towns in the county on Friday nights when most varsity games are played. There will be no charge for the stand-by ambulances unless they are used, when the customary charges will prevail.

After 10 p.m. there will be a late charge of \$5 per hour in addition to the regular schedule of charges.

Members of the committee to create the ambulance service include Judge Decker, Mayor Sid R. Malone and Bill Bain, alderman, from Devine; Mayor Sammy Tschirhart and Robert Mangold, alderman, from Castroville; and Mayor J. G. Barry and R. B. Stanga, alderman, from Hondo.

WATER STOPPER. This culvert in the Kollman Oaks area is the culprit when rains pour water down the Ball Creek Water Hole. Inspecting

the area are Lloyd Hermes, Fritz Leinweber, E. L. Abbott, J. G. Barry, Fred Bader, Henry Dominguez, John Seifert and Arturo Dominguez. Plans

to help on this problem have not been announced by the City Council. [Photo by Joe Fohn]

MORE ABOUT...

Flood Insurance

\$100 value, have a deductible clause which is either \$200 or 2 percent of the amount of the loss, whichever is greater.

Under an emergency act, the FIA has been authorized to provide subsidized flood insurance until December 31, 1973, for both new and existing structures in an eligible community, without first determining the individual community's actuarial premium rates, which is a prerequisite for coverage under the regular program. All details are available in a packet which city and county officials may obtain from AACOG.

Standards Published

Minimum standards for local ordinances have been published by the Federal Insurance Administrator. Local governments must

show evidence that decisions concerning the location, design and construction of new structures will take known flood hazards into account.

Also, within six months after the Administrator has furnished new technical data more precisely defining the hazards, additional land use and control requirements, based on the data furnished, will have to be met.

Whether land use controls apply to existing structures is determined by the laws of the community in which the property is located. From a Federal standpoint, however, such controls must apply to all new construction or substantial improvement of properties located in the special flood hazard area begun after properties located in the special area is identified

by the Administrator.

Structures eligible for flood insurance coverage include those for residential, business, religious or agricultural purposes, structures occupied by non-profit organizations and structures owned by State and local governments or agencies.

Determination of special flood or mudslide hazard areas will be done by the FIA and they also will supply the community with the technical data necessary to the development of sound management program for flood and mudslide prone areas.

Management Explained

Flood plain management means the operation of an overall program of corrective and preventive measures for reducing flood damage, including but not limited to emergency preparedness plans, flood control works and land use and control measures.

These land use regulations can be helpful in allocating unprotected lands to their most appropriate uses and in preventing private and public landowners from burdening other landowners or the public with cost of losses resulting from the unwise use of flood-prone lands.

Importance of these land use requirements was recognized by Congress inasmuch as it felt that Federal participation in the form of subsidized insurance program alone would encourage the continued unwise use of flood hazard areas and result in greater expenditures of tax dollars to provide economic relief to the disaster victims. Therefore, the Congress authorized the subsidized insurance for those exposed to flood hazards, provided that future development would be guided to minimize losses.

Local governments, in most cases, have the authority to control these land use regulations and a community cannot be selective in its application of land use and control measures. These measures must be applied equally, at least to all known special flood or mudslide hazard areas within its jurisdiction.

Judge Jerome Decker informed the Anvil Herald Tuesday the County is making application for the Flood Insurance Program. More details will come later.

"I believe God created the earth by His divine processes for the benefit of man, not one man, nor one generation, but for mankind for all time . . . for

Soil tour scheduled in county October 2nd.

The Medina Valley Soil and Water Conservation District Director has decided to have a conservation tour and barbecue this year in the Northeastern part of Medina County. This is the year for this area to elect a district director.

Clarence P. Wurzbach is the Director now serving in this area and he was elected to this position in 1958. He can be re-elected for another five-year term

or someone else that owns property in this area and lives within Medina County can be elected.

The tour will begin at Sammy's Cafe in Castroville on Tuesday, October 2, 1973 at 9 a.m. The first stop on the tour will be made at the Hugo Naegelin place. There the group will see four types of grasses grown for livestock use. One of the grasses that has shown a lot of interest because of

its ability to grow during the winter in Wintergreen harding grass. This grass has shown good growth for the year. Other grasses to be seen at this stop are Gondo bluestem, Klein-grass and Coastal bermudagrass. The area where this grass is being grown has a system of parallel terraces which empty into a grassed waterway. At this stop, you will be able to see these grasses and also hear a discussion by Darwin Schrader, Range Conservationist, on the proper fertility and use of these grasses.

Chamber Corner

By Lillian Porter,
Exec. Secretary

Aaron S. Rich of San Antonio came by and signed the guest book this past week and his comment about Hondo: "A beautiful place to visit."

We stayed busy mailing letters this past week.

Some of the mail that went out included: Mary Uhler, R. E. Their, Bernard Rothmell, Henry Bendele, Dennis Robinson, R. O. Patrick, Monte K. Huie, all of San Antonio, Fred Edgar of High Island, Burce Faust of Helotes, Jack Stafford of Nederland, Marvin H. Belch of Castroville, Stuart Schuester of Fort Worth, William Tittsworth of Castroville, Joe Bain of Corpus Christi, Jim Petru of Corpus Christi, Jerry McCarley of Wichita Falls, Dan Leslie of Many, Louisiana, R. H. Hasler of Houston, Bill Cole of Colleyville, Marion Stein of Overland Park, Kansas, Hill Country Motor Inn of New Braunfels, Carl Hinson of Hondo, L. W. Williams of Houston, James E. Downey of Corpus Christi, V. W. Harbors of Pasadena and Governor's Conference on Rural Development in Austin.

Telephone calls came in from Jim Owens of San Antonio, Cindy Cort of Lytle and Mr. Harrison of San Antonio.

It's almost Wild Game Dinner time and interest is growing!

"Dear Sir:
"I would like to know if you plan on having your annual Wild Game Bar-B-Q the second week of deer hunting season, November 24th (Thanksgiving weekend); if not, when?

Sparks

"So the father turns to the son and says, 'You know what you've done? You dug up the wrong can.'"

The only point to this story is this: If it is true, I certainly would have enjoyed seeing that man's face when looked up from his fence mending to see a sight that convinced him "money sure does grow on trees."

MISLEADING

... could be the gist of the story I wrote on the sprinkler system at the Golf Course.

Now, the City Council did not take a vote on the system so one could not say it was "officially approved."

However, I left the meeting with the impression that councilmen had given "tacit approval" to the idea thrown on the table by Mayor J. G. Barry.

And since the Golf Association officials and Councilman Hilmer Mueller left there with the same impression, I don't feel that I was alone and so far off in saying that at that meeting the Council "approved" the idea.

However, although I did not exactly say it was official, I do want the public to know that they did not officially vote an approval. They just left me with a strong feeling they agreed with the idea.

PROVIDENCE, R. I.

... paid us a very delightful visit on Monday.

No, I don't mean the city exactly. But three men from that New England city had lunch at the New Frontier Restaurant Monday and called me to come see them.

As it so happened, I met Francis Brown, Commissioner of Public Safety for Providence, when we attended an Air Force Reserve school together in Montgomery, Alabama, this past June.

Commissioner Brown, Providence Mayor Joseph A. Doorley, Jr., and John J. Hudson, a corporation executive, decided to drive over to Hondo "just to look around" while attending the Police Chiefs Convention in San Antonio.

I am extremely pleased they did and I sincerely hope some day they can make a return visit. And in return, I hope that sometime our family can take them up on their invitation "to come to Providence and see us."

To The Citizens of Hondo

Recent publicity has been directed to the possibility that natural gas service may be curtailed to two of this area's largest employers, D'Hanis Brick and Tile Company and Universal Rundle.

The general impression created seems to be that if this is done, it will be because of policies and decisions of United Gas, Inc. This is not correct.

United Gas, Inc., does not supply natural gas service to D'Hanis Brick and Tile, so we obviously have no possible control over that firm's gas supply.

United Gas, Inc., does serve Universal Rundle. However, should this firm's gas supply be curtailed, it will not be because of any choice or decision of United Gas, Inc. It will be purely the result of orders issued by a state regulatory agency to the wholesale supplier from whom we obtain our gas -- orders with which we, as a customer of the supplier, are compelled to comply.

Any intrastate wholesale supplier of natural gas in Texas, if faced with conditions under which it cannot furnish all the gas requirements of all of its customers, must, by state regulation, require the curtailment of service in accordance with established priorities. Residential and commercial customers, or "human needs" customers, have highest priority for the available gas. Other users are required to be curtailed as necessary to assure the protection of supply for human needs purposes.

Our business is selling gas. We are pursuing means of obtaining supplemental supplies and will exert every effort to avoid the curtailment of any customer. But if lawful orders are received specifying that such curtailments must be made, we have no option except to comply.

Respectfully,

United Gas, Inc.

1608 Ave. M 426-2043 Hondo, Texas

You can put a 15-word want ad in both the Hondo Anvil Herald and the Sabinal Times (combined circulation over 3,500) for one time for only \$1.50. Rate is cheaper if you run more than once.

ACT Assignment available for those who want it

Students at Hondo High School who are planning to attend college, or some other type of school, after graduation will have five opportunities to take the ACT Assessment during the 1973-74 year.

The first of five national test dates on which the ACT Assessment will be offered is Saturday morning, Oct. 20. Students planning to take it on that date must have registered by no later than Oct. 1, it was announced today by R. C. Lynch, (Counselor).

Although the ACT Assessment Program has been expanded this year to provide students with additional information, the student fee remains \$6.50. Also as in the past, it will take students about 3 1/2 hours to complete the examination and questionnaire that makes up the ACT Assessment. Resulting information reports are of valuable use to students and counselors in planning for postsecondary education.

Lynch also announced the complete ACT Assessment schedule for 1973-74. The national test dates (with registration periods in parenthesis) are:

Oct. 20, 1973 (Aug. 20 - Oct. 1); Dec. 8, 1973 (Sept. 24 - Nov. 12); Feb. 23, 1974 (Nov. 5 - Jan. 28); April 27, 1974 (Jan. 21 - April 1); June 15, 1974 (March 25 - May 20).

Last year nearly one million persons in the U.S. and overseas took the ACT Assessment, which is required or recommended for applicants at more than 2,000 colleges and other postsecondary education institutions, as well as numerous scholarship agencies.

The ACT exam-questionnaire that is administered to students on the national test dates features a series of four standardized tests (English, math, social studies, natural sciences) designed to assess general educational development. Another part is a student questionnaire that collects such information as academic and nonacademic background, immediate plans for college, and career aspirations. Added new this year is a student interest inventory.

It is recommended that

Neuman Graduate Assistant

KINGSVILLE -- Sixty-nine graduate assistants have begun duties for the fall semester at Texas A&I University in Kingsville.

Besides taking graduate work themselves, the students have duties in their

departments helping in the over-all academic program. They include Lynn R. Neuman of Hondo. He is the son of Mr. and Mrs. Clarence Neuman of Hondo. He is an assistant in the Agriculture Department.

The ACT Assessment Program is one of numerous guidance-oriented services provided for students and educational institutions by The American College Testing Program (ACT). The ACT National Office is located in Iowa City, Iowa.

JAKE DIDN'T WIN . . . at the San Marcos Chilympiad this past weekend, but his cooks did make a chili good enough to get in the top 12 list. Cooking were Les Schumann and Dooley Eckhart.

All said they enjoyed a "good time" there and Judy Schumann who is on the committee for the Hondo Chili Cook next May said she got names and addresses of many persons to invite them here.

South Texas action revealed in magazine issue

South Texans are showing a high degree of interest in late summer and early fall vacations in their own region and the South Texas Chamber of Commerce has rushed a new tourist-oriented issue of its magazine into print to serve as a guide to area attractions.

A special "See South Texas" tour guide is almost gone, but a new annual report issue is ready for distribution. It features the area around New Braunfels, site of the chamber's 1973 annual meeting on October 4 and 5.

Sam Godfrey of San Antonio, chairman of the regional chamber's tourist committee, said that the "See South Texas" edition was intended to serve as a tourguide for all of the autumn period for the area. However, demand was so heavy that the new issue was changed into a tourism-oriented publication.

Included in the new

publication is extensive coverage of Wurstfest on November 2 - 11. The event has grown from a one-day sausage festival into one of the nation's top autumn attractions.

Other area tourist highlights in the South Texan special edition include Canyon Lake, Natural Bridge Caverns, Landa Park and Lake McQueeney.

The magazine also includes a calendar of events for September and October for the entire 50-county area served by the chamber. It covers horse races, county fairs, art shows and parades in more than 25 area communities. The chamber's annual meeting will open Thursday afternoon, October 4, at the New Braunfels Civic Center and will conclude following a luncheon on October 5.

The colorful 36 page guide is available free of charge on request from the South Texas Chamber of Commerce, 1011 N. W. Loop 410, San Antonio, Texas 78213. The telephone number is 341-4651.

Amn. Donoho graduates

Airman Harold F. Donoho, Jr., son of Mr. and Mrs. Harold F. Donoho, Sr., Utopia, has graduated at Keesler AFB, Mississippi, from the U. S. Air Force radar navigation systems equipment repairman course conducted by the Air Training Command.

The airman, who was trained to test and repair navigation systems and related equipment, is being assigned to Homestead AFB, Florida, for duty with a unit of the Tactical Air Command.

Airman Donoho, a 1971 graduate of Utopia High School, attended Southwest Texas Junior College. His wife, Debra, is the daughter of Mr. and Mrs. L. J. Leinweber of 1405 30th St., Hondo.

PUB report shows activities of young

Young people in Hondo seem to be so-so in taking advantage of the recreational facilities provided for them by the city at the PUB.

A report submitted by C. T. Woods, who manages the facility for the city on a part time basis, shows that during 1972 an average of eight young people participated per night in the activities.

Activities are available at the PUB Tuesday through Friday nights from 7 to 10 p.m. or later in some cases. Available are pool tables, cards and dominoes, table tennis, juke box, television, dancing, all class meetings and Coke machines.

Woods reports that during the year there were no cases of undesirable conduct.

His report also showed that 81 members have joined the PUB at \$1.00 per year. Present officers whose terms will expire September 1 include: Carve McGarity, president, and Kevin Tilley, secretary-treasurer.

"Summer months are very slow," Woods reported, "due to Garner Park and other activities. We usually have one dance a month during the school months. At these dances

the PUB is open to the public and we use parents as sponsors."

Brucellosis rules spelled out

Texas livestock producers will be faced with new regulations on brucellosis control following a state-wide public hearing in Austin on Oct. 1, reports County Extension Agent Glenn Bragg.

The changes are being proposed by the Texas Animal Health Commission so that Texas will be able to move toward a "certified-brucellosis free status" and thereby be able to comply with the standards of other states to which cattle are shipped.

Bragg outlines the major changes in the brucellosis testing program as follows:

1. Testing of all animals two years of age and over at local auction markets rather than just testing those that terminate at slaughter.

2. Maintaining cattle in groups until they are tested and found clean or are quarantined, with testing expense to be paid

by the seller.

3. Herds found to have the disease will be tested until they have two negative tests, not to exceed 120 days apart.

4. Retesting must be done within 60 days.

5. Animals may move from ranch to ranch owned by the same individual within a county or similar certified area without testing.

6. Animals moving and changing ownership must be tested. Numerous other conditions and procedures are also specified in the proposed changes, points out the agent. To get all the details on the new brucellosis program, he encourages producers to come by the County Extension Office to review a copy of the proposed regulations.

Wanted Girl Scout Leaders

Thousands of men and women have brightened their lives and the lives of others by becoming Girl Scout Leaders. Also wanted are Assistant Leaders and Helpers. For information, without obligation, on how you can become a Girl Scout Leader, just mail the coupon below. For quick information, telephone your local Girl Scout Council.

San Antonio Area Council of Girl Scouts, Inc.
335 King William Street

Reporter

South Hondo 4-H

The South Hondo 4-H Unit 2 Club met September 17, 1973, at the City Auditorium. The meeting was called to order by Larry McWilliams. The program was given by Wayne Sholtz, Assistant County Agent, on "Making Your Meeting Worthwhile." The Motto and Pledge were led by Debbie Marquis and Lynda McWilliams. The Prayer was led by Doyle Martin and Lynn Moos. Kay Martin had roll call. Terri Young read the minutes and the Treasurer's report was given by Vaughn Williamson.

There were several reports given. Doug Cole reported on bicycles. Jessie Seals reported on Citizen-Seals, and Chris Cole reported on fire. Nancy reporting were: Oancy Martin on the Rifle Club, Paula Moos on County 4-H Council meeting, Terri Young on Officers Training, and Sandra Moos on programs for the coming year.

Mrs. Moos told us about the Project Fair and the Poster Contest. Kay Martin gave out clothing certificates and then recreation was led by Paula Moos and Lori Mueller.

The club will meet October 1, at the City Auditorium at 7:30 p.m. Mrs. Alton Haile, 4-H Method Demonstration Leader, will present the program on Poster Art. Each 4-H'er is encouraged to bring his or her favorite hobby or craft material to be displayed at this meeting.

members present. Robyn Amberson led the group in the motto and pledge with Daryl Britsch reciting the prayer.

Projects reports were given by Travis Wernette on the rifle club and Laurie Hollmig reporting on the horse club. New members joining were Andrea Saathoff, Libby Nations, Camille Glasscock, Scott Saathoff and David Bragg.

An interesting program on exotic game in Medina County was given by Jerry Turrentine of the Soil Conservation Service.

Denise Saathoff, chairman, expressed appreciation to those who participated in the Folklife Festival corn shucking booth. They were Kay and Nancy Martin, Denise, Andrea, Scott and Keith Saathoff, Jimbo, Lynda and Robyn Amberson, Stuart Nietenhoefer, Glenn and Lisa Schweers, Kurt and Allen Collier, Emily, Cathy, Sheryl and Wayne Cox and Doug and Travis Samford.

Members were reminded of the 4-H awards banquet to be held Oct. 27 in D'hanis. The poster contest will be held in conjunction with the banquet. The theme for 4-H this year is "4-H Gets It All Together".

Glenn Bragg talked about the fund raising project for the state 4-H center in Brownwood. Any member who did not get tickets may obtain them from the Extension office of the organizational leader. He also announced that lambs will be sheared on Sept. 29 beginning at 8 a.m.

Monte and Brenda Bippert led the group in a spaghetti relay game. Refreshments were served by the families of Amberson, Bippert and Britsch.

The Medina County 4-H county government group met Monday, August 28, in the Extension office in the Medina County Court House.

The youth were briefed by agents Bragg and Bippert, and assistant agent, Scholtz. Mrs. Aguina and Mrs. Tomerlin, on the program of work.

They toured the offices of each and learned that 4-H is only one of the many programs directed by the Cooperative Extension Service, a part of Texas A&M University and the USDA.

This week

All she wrote

by Edna McDade

As a botanist, I'd probably make an indefatigable word looker-upper. Sunflowers, bluebonnets, daisies, Johnson grass, mesquite, prickly pear and a few other plants that thrive in Texas soil. I can identify if you don't pin me down to all the details.

Today, I learned from J. E. SHOWS something new about yew that many of you probably already knew.

The Japanese [or European] yew, an Old World evergreen of slow growth and long life, bears a tiny plum-colored fruit attached to a tiny round green shoe-button "handle". [The unscientific description is a poor thing but my own.]

Mrs. Shows explained that the fruit was edible and made delicious jelly. I must have looked skeptical because he said he'd eat some to settle any doubt I might have. So, I ate two of the little fruits and found them yew-licious.

The "Keep-our-city-clean" goal is not a recent trend in Hondo. June 3, 1913, the Hondo Board of Health proclaimed a Clean-up Day for the city, appealing to the citizens for support in the following notice which appeared in Anvil Herald of that week:

"The summer season is coming on and, by using precaution, we can destroy the miasma that impregnates the atmosphere and the disease germs that naturally infest all decaying vegetable matter or any other refuse that may have accumulated.

"We have arranged for wagons to haul to the dumping grounds all refuse and debris that can be burned and we respectfully request that all such barrels be at a place of easy access to the wagons."

The notice was signed by JOE NEY, W. H. SMITH and H. J. MEYER.

In full appreciation of what the Hondo Garden Club and the City of Hondo, cooperatively, have done to keep Hondo clean and attractive, I wondered when their good deeds began.

The HGC was organized in November, 1948, which means it is due to celebrate a 25th anniversary this year. Anything cooking by way of silver years?

This story is by permission of the "copyright" owner, MARY JO [Mrs. A. D.] PATTERSON. With her beloved Andy in a San Antonio hospital, she has been commuting daily and having lunch in the Medical Center's cafeteria.

Through "connections" she was permitted the use of a restricted parking area for a few days. On one such day, when a district medical meeting was in progress, MJ was late to lunch but made her way down the line, wondered a bit about the attentive concern of three special chefs on duty to help her with her choice of foods and was surprised to find a table with "real cloth" napkins, flowers, etc.

A gracious lady, she accepted the gracious hospitality, enjoyed a delicious meal and proceeded to the cashier's desk where she was told something like courtesy-of-the-house-where.

She had been mistaken for a member of the meeting group and is still struggling a bit with her conscience. The struggle might be between her honest innocence of any intentional wrong-doing and the fact that she did indulge in a piece of lemon chiffon pie, a no-no on her diet.

Having read a national columnist's thought-provocative article on "What will newspapers use for their news?", I remembered a fitting reply which I had clipped and filed away somewhere.

After due process of digging, I found it: "A preacher hit the nail on the head when he allowed, 'What a scarcity of news there would be if we all obeyed the Ten Commandments!'"

Mrs. ROBERT MUMME and I met in a local food store and I asked her if she was still making bread, remembering how delicious it always is.

"Yes, indeed," she said. "Not the kind of 'bread' some of the NOW generation means but the kind that is said to stick to the ribs!"

I inquired about Mr. M. who "retired", after a fashion, some years ago. Said his wife, "He has re-hired himself as a builder of hunting shacks to place on our acreage which we have leased. He enjoys the work and is doing a pretty good job. The shacks are air conditioned [when the wind blows] and have running water [when it rains]."

What hunter could ask for anything more -- except a deer? And, deer are right at home in Mumme territory.

I attended a meeting of the Hondo Public Library board Tuesday evening Sept. 18th, and shared in the reflected glory of the Library's achievements since it first saw to light of day [in its present location] on April 17, 1967.

Visitors present included representatives of Hondo's newly created Junior Service League. These young matrons are combining their talents and efforts toward the continuing progress and welfare of the Hondo Library. United in such a worthy goal, they deserve the support of their fellow citizens in their forthcoming projects planned for the common good.

Natalia and Chacon Lake news

By Mrs. I. W. Thompson

The Natalia Volunteer Firemen answered a call Saturday night to the vacant farm home formerly owned by the late Mr. and Mrs. Triphon Van Heuverswyn which was completely destroyed by fire. It was reported that baled hay was stored in the house.

Mr. and Mrs. M. N. Smith and their daughters, Mrs. Frank J. Gunn and Mrs. H. L. Bradley, returned home Monday night after having visited since Sunday in Oklahoma City, Okla., with Mr. Smith's sister-in-law, Mrs. L. D. Smith. They attended the funeral of his brother who died Friday evening after a lengthy illness.

Mrs. R. W. Crawford had as her guest Monday for the day her daughter, Mrs. Roy A. Turner from San Antonio.

Mr. Winnie Tilley and her sister, Miss Arila Crawford, returned home Wednesday after having visited since Labor Day with Mrs. Tilley's daughter and family, the Bill Denny's and Mary in Houston. They were accompanied home by Mrs. Tilley's grandsons, Richard, Denny and Johnny Whitfield of Houston.

Mr. W. C. Richardson who had been in the Baptist Memorial Hospital for the past two weeks recovering from a leg injury he received in a tractor accident was released Saturday to convalesce at his home.

Mrs. R. J. McFarland who fell and broke her knee cap July 28 spent time in San Angelo with her son and daughter-in-law, the Harold D. Eastmans, and as a patient in St. John's Catholic Hospital there, is now back at her home. Mr. McFarland is at the Rest Haven Nursing Home in Lytle while Mrs. McFarland is getting back on her feet.

Mr. R. W. Bradford returned home Monday after having visited in Dallas over the weekend dividing time with her sister and brother-in-law, the W. D. Poarches, and her father, Mr. J. L. Waters, who is a patient in the Convalescent Center there. Mrs. Bradford was accompanied on the trip by her daughter and son-in-law, the Calvin Lockharts of San Antonio. The joined in celebrating Mr. Water's one hundred and fourth birthday on Sunday, Sept. 9.

reported that fishing luck was poor.

Mr. and Mrs. Denver Pullin, Gonzales, were guests Sunday in the home of their son and family, Rev. and Mrs. Franklin Pullin, Gregory, Lisa and Jeffrey.

Mrs. Ann Cummings entertained the Happy Valley Needle Club at her home Wednesday afternoon. Six members and one visitor, Mrs. Ruby Rucker, attended. Mrs. A. W. Bongers presided in the absence of the president, Mrs. Frank Neuman. A social hour was enjoyed and refreshments were served by the hostess. The next meeting will be Wednesday afternoon, October 3 at 2 p.m. in the home of Mrs. Bongers.

Mrs. W. H. Lessing who has been a patient at the Methodist Hospital for four weeks is still undergoing tests.

Mr. Lee Estep who had been a medical patient in the Methodist Hospital for two weeks was released Monday to convalesce at his home.

Mrs. Richard Sepulveda was honored on her birthday Thursday night with a surprise social at the home of her sister and brother-in-law, Mr. and Mrs. Daniel Vera. Refreshments of chicken salad sandwiches, dips, chips, pineapple cake, coffee and punch were served to the forty guests. Hostesses were Mrs. Vera, Mrs. Robert Gonzales, and the honoree's daughter, Miss

Chris Sepulveda.

Mr. M. R. Saldana was honored on her birthday Wednesday with a cake and punch social at her home by her daughter, Mrs. Willie Rodriguez from San Antonio.

Mrs. Pano Morales who is a patient in the Villa Rosa Hospital, San Antonio, was released Sunday for the day with her family Mr. Morales, Richard, Rebecca and Ralph. She had major surgery Tuesday morning.

Mrs. Carlota Fernandez had as her weekend guest her son, Felix Fernandez from Houston.

Mr. C. Patrick Gray and Mr. Leon Gillespie, San Antonio, motored to Padre Island Friday night for a weekend outing. Mr. Gray

IT CAN'T BE TRUE! That seems to be the expression on the face of Miss Jo Ann Quintanilla as she accepts the beautiful Miss Hondo Trophy.

Jo Ann won the Miss Hondo title over other entries in the pageant sponsored by the Hondo Lions Club. (Photo by Ted Mendoza)

Young Homemakers elect new officers

The Hondo Young Homemakers held their installation ceremony of the clubs officers for the 1973-74 term, Tuesday, September 18th at City Park.

The installation was held after a fish fry supper and very informative program on Wills and Estate Planning. Outgoing President Jan Oefinger conducted the ceremony that recognized Carolyn Baker as new club President, Rose Scholtz as Vice President, Donna Wermette as Secretary, Darlene Mumme as Treasurer, and Nancy Fridle as Reporter. The week of September 16

- 22 was designated Young Homemaker in Texas. This organization will begin its 12th year in January. The organization has 258 Chapters and 4,431 members.

The Area Convention of the Young Homemakers of Texas will be held September 22 at the Civic Center in New Braunfels.

Representing the Hondo club as voting delegates will be Gladys Lindeburg and Linda Schmidt.

The "Little Sister" of the Hondo Young Homemakers was announced. She is Dottie Woolls, daughter of Mr. and Mrs. Bud Woolls and student at Hondo High School.

The hostess' gift was a maple high chair and a yellow and white lamp.

Hostesses for the show-er were Mmes. George Alexander, Leo Bohl, Jr., Calvin Boyd, Bill Carr, Ira Crutchfield, Richard Dooley, Louis Ehlinger, David Fargason, Dennis Haass, Donald Haass and Bill Hales.

Also, Mmes. Terry Moses, David Powe, Nolan Ricord, John W. Rihn, George M. Schott, Bill Wallace, Howard Wallace, Walter Weber, Bill Wood, and Margarito Velasquez.

Showers fete Mrs. Bill Bain

Mrs. Bill Bain was honored with a pink and blue shower in the home of Mrs. Marion Muennink on Saturday, September 15.

The serving table was decorated in pink and blue.

The serving table was made up of gladiolas and mums and decorated with an assortment of baby rattles.

Games were played and refreshments of cake, sandwich loaf, and tea were enjoyed by the twenty-five guests.

The hostesses presented

the honoree with a bouncer-walker.

Hostesses for the show-er were Mrs. Lindy Mechler, Debbie Muennink and Mrs. Glenn Muennink.

Mrs. Bain was also honored with a pink and blue shower in the home of Mrs. Walter Weber in Devine on September 18.

The honoree was presented with a yellow, white, and pink sock corsage. The serving table was decorated in yellow and green. The fifty-five guests were served cake, punch, mints, and nuts.

Tweed 'in' says County Agent

By Gaye Bippert
Medina Co. Ext. Agent

Autumn northers blowing in will find tweed-clad Texans.

Tweed fabric surfaces are big news, according to Gaye Bippert, county Extension agent.

Fabrics and garments currently available in Texas stores indicate this new fashion emphasis for Fall and Winter '73.

Named for the Tweed River in Scotland where first produced, today's tweeds include an assortment of light to heavy-weight, rough textured, sturdy fabrics.

Although originally a woven woolen fabric, they're currently available in a wide variety of fibers and blends -- offering ease-of-care and a wide range of styling possibilities. There's a cost for every pocketbook -- plus a natural look and hand.

Traditionally, tweeds are characterized by their mixed color effect such as Donegal tweeds. They also may be the same color, checked, plaid, striped and patterned.

Tweeds combine well with other patterns since their subtle coloring is easily repeated, producing

a unified effect. Tweeds tailor exceptionally well in suits and sportswear for both men and women.

This fabric offers "plus" features for every individual if selected accordingly. Depending on boldness, it projects self-confidence and sophistication.

Tweed texture can minimize figure faults and irregularities. For example, texture dullness absorbs light, reducing effect of size.

Bulkier tweeds, on the other hand, become slender figures. However, petite persons should not choose an extremely large-

scale tweed since the contrast would be overpowering.

When in doubt of the overall effect or appearance, stand in front of a mirror and hold the garment or fabric to your body in the area it will be worn. Does it make you appear larger or smaller?

Observe effects on the skin and eyes when worn near the face. Coarse or fine features can be complemented by the proper textured tweed.

Avoid extreme contrasts and similarities, the agent concluded.

Mrs. Lindeburg dies at age 71

Mrs. Minnie K. Lindeburg of Hondo died September 21, 1973, at Brown's Nursing Center, Hondo. She was 71 years old.

Mrs. Lindeburg was born February 26, 1902 in Medina County, and lived in the Hondo area all her life. A housewife, she was a member of the New Fountain Methodist Church and the Veterans Auxiliary of World War I.

She is preceded in death by her husband, Herman Lindeburg, who died in 1963; her father Jacob Saathoff; and her mother, Louisa Gerdes.

She is survived by a daughter, Mrs. Clinton (Lillian) Martin of Dunlay; a granddaughter, Mrs. Dean (Rhonda) McNew of Dallas; two grandsons, Nelson and Jerry Martin, both of Dunlay; and four sisters,

Mrs. Walter (Edna) Winkler, Mrs. Henry (Ida) Lindeburg, and Mrs. C. J. (Alice) Pichot, all of Hondo, and Mrs. John (Nellie) Heyen of San Antonio.

Funeral services were held September 22 in the Guinn-Horger Chapel in Hondo. Rev. L. S. Dubberly, pastor of New

Fountain Methodist Church, presided. Interment was in the Quihi Cemetery.

Pallbearers were Jack Winkler, Tommy Pichot, Floyd Saathoff, Jay E. Muennink, Walter Grell, and Elmer Nietenhoefer. Funeral arrangements were by Guinn-Horger Funeral Home, Hondo.

MARY VERNA ELENA

LIPSTICK AND NAIL POLISH: THE BASIC COSMETICS

The very first experience a woman has with cosmetics is the use of a little lipstick and perhaps some nail polish. But, even when the cosmetic wardrobe grows larger these two items still remain the basics. As she becomes more sophisticated with the use of make-up several shades of lipstick and matching polishes are added to compliment a particular dress, time of day or season of the year.

With so many colors, textures, sizes, applicators, advertising claims and other features to decide on, as well as keeping up with current vogues, the advice of a beauty consultant is naturally important to you when making a lipstick, nail polish or, for that matter, any cosmetic purchase. This expert advice is always available to you at Peden's "Beauty Boutique."

For at Peden's we cater to the beauty conscious woman who wishes to always be at her very best -- using carefully chosen perfumes, make-up, treatment and other cosmetic products.

Frances Rodriguez dies

Mrs. Frances Rodriguez, 41, of D'Hanis died September 19, 1973, in Medina Memorial Hospital in Hondo.

She was born September 16, 1932, in D'Hanis to Mr. and Mrs. Jesus Rodriguez. A housewife and cafe employee, she was a lifetime resident of D'Hanis and a lifetime member of the Catholic Church.

She is survived by her parents; her husband Adolfo Alejandro de Sabinal; a son, Mario Rodriguez of D'Hanis; daughter, Rebecca Rodriguez of Sabinal; a brother, Jose Rodriguez of California; and two sisters, Mrs. Norberto (Paula) Chapa of California and Mrs. David (Beatrice) Gallegos of D'Hanis.

Rosary was recited September 19 in Holy Cross Catholic Church, D'Hanis, with Rev. Victor Schmidtinsky, Pastor of Holy Cross, officiating.

Funeral Mass was September 20 at Holy Cross Church. Interment was in Holy Cross Cemetery.

Pallbearers included Fidenicio Gomez, Joe Pargao, Rogelio Lopez, Liborio Ibarra, Alfonso Alejandro and Juan Alejandro.

Funeral arrangements were by Guinn-Horger Funeral Home, Hondo.

Sigma Tau sets bake sale

The biggest and the best bake sale -- sponsored by the Sisters of Sigma Tau -- will be held Saturday morning, September 29 at 9:00 a.m.

Locations for the "Goodies galore" are in front of the Hondo National Bank and Winn's.

German chocolate cakes, home baked bread, cookies, pies and much, much more will be available.

LIBRARY NEWS

The Board of Trustees, Hondo Public Library, held its first Fall meeting on Tuesday night, Sept. 18. In attendance were Sally Brucks, Chairman, Nancy Buescher, Gladys Knowles, E. J. Chapa, Martin Noonan, Lottie Maw, librarian, and Ina Mansell, secretary.

Board members welcomed, as guests, Mmes. Pete Ulbrich, Richard Schweers, Jay Finger and John Milan, all members of the Hondo Junior Service League, and Mrs. Edna McDade, Corpus Christi, formerly of Hondo and a Charter Member of the library.

Mrs. Maw reported that at the end of the fiscal year July 1, 1972 to June 30, 1973, there were 4,872 memberships and that 18,489 books, paperbacks and magazines had been issued to those readers.

She also stated that, to date, 77 books purchased through the 1973 State Grant have been placed on library shelves and that the remaining balance of the grant will be used to acquire other books in the near future. Mrs. Maw reported further that the library is in dire need of additional shelving.

Mrs. Schweers advised Board members that the Junior Service League is planning a Christmas Bazaar at City Hall, starting Nov. 17, 10 a.m., to benefit the library and asked for donations of saleable items, including home crafted items, that can be used at this bazaar.

Contributors to the library in recent weeks include the Paul Rilly family, magazines; Hattie Laughinghouse, books; Mr. and Mrs. Norman Buescher, magazines; Mrs. Dale Walker, books on physics, chemistry and religion; Barbara Weems, paperbacks; Mrs. Otis Nester, magazines; and Mrs. Louise Landers, novels.

Other donors are Mrs. Parker Hanna, novels and paperbacks; Mr. and Mrs. O. M. Redus, magazines and Fall floral decoration; Mrs. Jack Landers, magazines; Martin Noonan, magazines; Gale Long, paperbacks; John Cason, magazines; and Liz Maple, paperbacks.

Mrs. S. C. Filleman of Odessa has presented a large number of books and magazines on biology, physiology, micro-biology, etc. Also new to library shelves is the recent Doubleday selection, "Rule Britannia" by Daphne DuMaurier.

Mrs. Maw again urges readers to return their overdue books and reminds them that the book drop is easily available at any hour. Regular library hours are 11:30 a.m. to 5:30 p.m., Monday through Friday.

TEN LITTLE INDIANS. 219 lead by Cubmaster Bob Van deWalle at the City Park Monday night. Actually, there might have been many more than 10 little Indians at the monthly meeting of Pack 219. Anyway, the theme of the September meeting was Indians and as one can see the young Scouts played the part well. [Photo by Ted Mendoza]

Senior class survey shows some interesting answers

If you want to know what is going to happen to the Senior Class at Hondo High School, the best way to find out is ask the members of that class.

That is what R. C. Lynch, high school counselor, did this month and his survey indicates some interesting plans and aspects from this class.

Future plans are an important part of their lives as they near the time when they graduate. So, the survey asked what they intended to do once they leave school.

A whopping 46 percent of the class said their plans include college. Next in line as far as percentages go was the 21 percent who said they are undecided on what to do after graduation.

But close on this group's heels was 20 percent who plan on going to work after graduation. Seven percent say they will go to a trade or technical school, and six percent feel they will enter military service.

Parents might take note of the answers to one question. This query wanted to know: "What careers have been suggested to you by your parents or others?" And some 30 percent answered with a "none."

Hobbies are always interesting and the survey wanted to know what the 1973-74 seniors considered their favorite hobbies.

And wouldn't you know in Hondo the boys listed

hunting and fishing as their first two preferences. Next in this order came pool playing and sports. Numerous others were mentioned including: tobacco chewing, chess, pistol shooting and spear fishing.

Two boys either really meant what they said or could be classified as trying to be excellent politicians, for they listed "work" and "studying" as their favorite hobbies.

Now the girls were a

little more diverse. Sewing took the top spot on their hobbies, while swimming, music related, arts and crafts, came in that order. The one that occupied number five spot might just cause a little uneasiness in the minds of some parents: the girls said they "just liked riding -- messing around."

Other hobbies mentioned, just to name a few, were tennis, skiing, genealogy, candle making and gymnastics.

Peden earns Master's

Bob Peden, a Hondo pharmacist, has completed his Masters of Arts degree in Sociology from the National Christian University in Dallas.

A 1962 graduate of the University of Texas School of Pharmacy, Bob had

been in business in Hondo 11 years when he began his graduate studies in San Antonio over a year ago.

Subject of his thesis is "Psychosomatic Illnesses -- Their History, Cause, and Cure."

County case load heavier

AUSTIN -- The number of cases filed in district court in Medina County during 1972 was 12 percent more than the number filed during 1971, according to statistics released by the Texas Civil Judicial Council.

Cases filed during the last calendar year totaled 199, including 59 criminal and 140 civil.

Judge Ross E. Doughty of the 38th District Court has jurisdiction in Medina County. He also serves Real, Uvalde and Zavala

Counties.

The local district court disposed of 289 cases during 1972, 42 percent of the cases filed during the year or carried over from 1971. At the end of the year, 399 cases were pending on the docket.

Statewide, the 245 district, domestic relations and special juvenile courts experienced less than a 1 percent increase in filings during 1972 -- to 280,971 cases from 278,338 in 1971. Twenty-seven percent of these were criminal

cases.

These state courts disposed of 51 percent of the total cases filed in 1972 or carried over from 1971. The defendant entered a guilty plea in 47 percent of the criminal cases disposed of. In the cases disposed of by a jury verdict, 74 percent of the defendants were found guilty and 26 percent acquitted.

Of the 276,979 cases pending throughout the state at the end of 1972, 19 percent had been on the docket 12 to 24 months and 28 percent had been

pending over two years.

For the last 40 years the Texas Civil Judicial Council has been collecting information concerning caseloads for the district and appellate courts. Beginning in 1973, the Council will expand its data collection activities by gathering and publishing statistics on caseloads of county, municipal and justice of the peace courts. These statistics are essential for study and evaluation of the judicial system and its effects on the people of the state.

Lacoste 6 year old killed by car

A 6-year-old LaCoste area boy was struck by a car and killed early Friday morning while he waited for a school bus near his rural Bexar County home.

Kenneth Edwin Tondre of Route 9, Box 309, San Antonio, was pronounced dead at the scene.

Officers say Tondre was

waiting for a school bus at the intersection of the LaCoste - Macdona road and the Jungman road at about 7:40 a.m. Friday, when he apparently darted into the path of an oncoming car.

Driver of the car was identified as Susan L. Wacławczyk, also of rural Bexar County.

TRAVELING TO SOME BECOMES
ORDINARY AND MUNDANE THEY DO IT SO
OFTEN. But to Miss Lupe Barrios of Hondo a recent
trip to California opened sights she had never thought
of seeing, since she had never been outside the state of
Texas. Along with Mrs. Hermania Herrera, Miss
Barrios visited relatives and saw such sights as Santa
Cruz Beach, San Juan Capistrano, The Queen Mary in
Long Beach, Knotts Berry Farm, Olvera Street and
Chinatown in Los Angeles, Lion Country Safari in San
Diego, Disneyland, The Golden Gate Bridge [seen
behind the two Hondo residents], San Jose, Fisherman's
Wharf, and Sausalito. The two say they "loved every
minute of the five-week visit to the Sunshine State."

While in California they visited Mrs. Herrera's
daughters, Mrs. M. J. [Diana] Holly in Redlands and
Mrs. Minnie H. Gonzales in San Jose, and sons, Herbert
in Sunnymead and Carlos in Redlands.

Loessberg hold family reunion

The descendants of John
and Julia Loessberg held
their family reunion at the
Hondo City Park on Sept.
23, 1973.

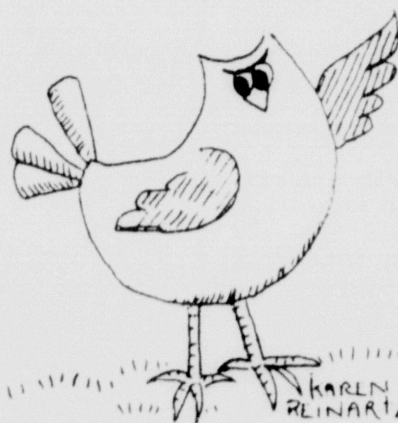

A basket lunch was
served to 101 persons.
Rev. Dubberly asked the
blessing.

The oldest person attending
was Mrs. Clara
Nietenhoefer and the
youngest was Rachel
Brucks, daughter of Mr.
and Mrs. George L.
Brucks. Mr. and Mrs.

Anton Tschirhart were the
couple that traveled the
farthest to attend the
reunion. They were from
Victoria. Others attending
were from San Antonio,
Uvalde, Hondo, Poteet,
Gonzales, Quihi, Castro-
ville, Natalia, Lytle, De-
vine and Dunlay.

The afternoon was spent
playing games, which
everyone enjoyed.

Another reunion is plan-
ned for next year.

"Just because I got one tail
feather pulled out, doesn't
mean that we're not ready to
win the next game!"

Mail in those agribusiness entries now

Planners of the Agribusiness
Seminar slated in Hondo on
October 16 and 17 have issued a
reminder for agribusiness firms to
get that entry submitted.

"The number of persons allowed
to attend will be limited to the first
40," stated the letter mailed to
prospective participants, "therefore,
we must limit each business to one
representative. The registration fee
of \$5.00 will be used to pay for
your steak dinner the last night of
the program along with printing
and mailing costs."

A deadline of Friday, October 5
has been set for registrations to be
in. Agribusiness firms are urged to
beat that deadline by mailing their
entries and fee to the Hondo
Chamber of Commerce, Box 126.

"We have secured two of the best
economists in the field of
Agribusiness to present the
program," H. C. Nietenhoefer,
chairman of the Chamber Agri-
business Committee, said. "They
are Kenneth Wolf and Dr. Wayne
H. Hayenga, both from Texas
A&M University and the Extension
Service."

Becky Seifert and
Leslie Jenkins of Fort
Worth left Friday, Septem-
ber 21, for a three-
month stay in Europe.

They joined the Student
Overseas Service, which
sponsors American stu-
dents in Europe.

They will spend five
days in Innsbruck, Aus-
tria, while they attend
orientation.

From there they will be
stationed in Switzerland,
where they will be
employed. From Switzer-
land, several tours of
Europe are planned.

In Switzerland, the two
will meet Sherri Weynand,
who has been there for
three months.

Becky is the daughter of
Mr. and Mrs. John Seifert,
Hondo.

Here in Hondo

Mr. and Mrs. Gowen
and Mr. and Mrs. Byron
Heard of Uvalde were
visitors in the home of Mr.
and Mrs. Armin Rothe
Sunday.

Tondre services held

Kenneth Edwin Tondre,
age 6, died Friday
September 21, 1973.

He was the son of
Norman J. and Sarah
Tondre of Route 9, San
Antonio.

He is survived by his
parents; brothers, Michael
and Jeffrey Tondre; grand-
parents, Mrs. Joe H.
Tondre of LaCoste, and
Mr. and Mrs. Norise
Knibbe of Bandera.

Rosary was held Satur-
day, September 22, at
Tondre Guinn Funeral
Chapel, Castroville. Funer-
al Mass was said Sunday
at 2 p.m. in Our Lady of
Grace Catholic Church,
LaCoste.

Interment was in Our
Lady of Grace Cemetery,
LaCoste.

Garcias honored in Natalia

Mr. and Mrs. Julian
Garcia of Natalia was
honored Monday night
September 17 with a mass
at St. John Basco Catholic
Church with Father

Michael Maertens offici-
ating, followed by a
reception in the fellowship
hall. The Garcia's daugh-
ters, Mrs. Palo Sanchez,
Lincoln, Nebraska; Mrs.
Ambrosio Arquillo, Po-
teet; and Mrs. Mary Lou
Fuentez, Colorado Springs,
Colorado, were the hostes-
ses. Mrs. Garcia chose to
wear a beige embossed
with gold formal gown.
Her Corsage was white
carnations.

They were honored with
the presence of Mr. and
Mrs. Dasadaio Raigosa
from Castroville who were
Matron of Honor and Best
Man at their Wedding.

The serving table was
covered with a white table
cloth centered with an
arrangement of white
carnations. Refreshments
of chicken salad sand-
wiches, potato chips, cake
and punch were served.

Assisting with the ser-
ving were Mmes. Daniel
Vera, Richard Sepulveda,
Sipritenia Gibaroa, Maria
Pena and Angelita Juarez.

NEWLY ELECTED officers of the Hondo Young Farmer Chapter are shown following their election at a fish fry held Tuesday night, September 18, at the Hondo City Park. In front are, L to R: Jerry Turrentine, reporter; Charles Mumme, vice president; and George Gooding, president. In back are Clark Wurzbach, treasurer, and Glenn Bragg, secretary. Outgoing officers included Wilbur Lindeburg, president; William Reus, vice president; Fred Yanta, secretary; Fred Graff, treasurer; and Glenn Dittmar, reporter.

LINDEBURG HONORED. . . George Gooding, left, newly elected president of the Hondo Young Farmer Chapter presents a plaque of appreciation to outgoing president Wilbur Lindeburg at a fish fry for members and their wives on Tuesday night, September 18, at the Hondo City Park. Lindeburg was cited for his leadership to the Hondo Young Farmer Chapter during the previous year.

Services for Mrs. Saucedo

Mrs. Theresa Saucedo,
45, of Hondo died Septem-
ber 17, 1973 in Medina
Memorial Hospital in
Hondo. She was a house-
wife and lifetime Hondo
resident. She was a
member of the Pentecostal
Church of Hondo.

She was born May 27,
1928, in Hondo to Juan
and Leonarda Rendon,
who survive her.

She is also survived by
her husband, Frutoso
Saucedo of Hondo; a son,
Jose Antonio Saucedo of
Hondo; three daughters,
Maria Elva, Sylvia, and
Irma Saucedo, all of
Hondo; brothers, Balde-
mero, Santiago, and Es-
teban Rendon, all of

Hondo; and sisters, Lupe
Sanchez, Marced Rendon,
and Elvera Coronado, all
of Hondo.

Funeral services were
held September 19 in the
New Testament Church of
Hondo, Rev. Roberto
Dominguez of San Antonio
officiating. Interment was
in the Guadalupe Ceme-
tery.

Pallbearers were Juan
Morin, Ramon Gauna,
Daniel Carrera, E. J.
Chapa, B. R. Delgado, and
Monico Hernandez. Funer-
al arrangements were by
Guinn-Horger Funeral
Home, Hondo.

Everett

Clemens dies

Everett Clemens passed
away in a San Antonio
hospital September 23,
1973.

Funeral services were
held at Guinn-Horger
Funeral Chapel Wednes-
day, September 26, with
burial in the Oakwood
Cemetery, Hondo.

A complete obituary will
appear in next week's
edition of the Anvil
Herald.

Farmers plant to full capacity

The green light has been
flashed to farmers in
Medina County and the
whole nation, allowing
them to plant to full
capacity this year.

The new 1974 farm pro-
grams have been an-
nounced by the Medina
County ASCS Office of the
U.S. Dept. of Agriculture.

and the big news is no set-
aside requirements for
1974.

Farmers will be free to
plant maximum acreage to
feed grains this year
without restriction, due to
the present shortage of
feed grain on the Ameri-
can and world markets.

There are also no con-

serving base requirements
for 1974-77.

Farm allotments instead
of farm bases will be es-
tablished for the new year,
and production is not
limited by the allotment.

Target prices for 1974
are established at \$38 per
pound for cotton; \$1.38
per bushel for corn; \$2.34
per hundred weight for

grain sorghum; \$1.13 per
bushel for barley; and
\$2.05 per bushel for wheat.

Payments will be made
only if the target price
exceeds the larger of the
national average market
price received or the loan
rate. If the market price
received is less, the differ-
ence will be multiplied by
the established farm yield
times the farm allotment
(cotton, wheat, or feed
grain) as applicable.

There will be no pre-
liminary payment, and no
person may receive more
than \$20,000 under one or
more of the annual
programs.

Under "disaster condi-
tions", the program allows
a farmer to qualify for
special payment if any
part of the allotment is
prevented from being
planted, or the farm does
not produce two thirds of
its expected production
because of drought, flood,
other natural disaster, or
conditions beyond the pro-
ducer's control.

Soybean tour scheduled

The possibility of pro-
ducing soybeans in this
area has created a lot of
interest among local pro-
ducers. Here is a chance
for producers to learn
more about producing
Soybeans.

A Tri County (Medina,

Uvalde and Bexar) Soy-
bean Tour will be held
Wednesday, October 3,
1973, according to Glenn
Bragg, County Extension
Agent.

The Tour will begin at
9:00 a.m., Ede's Cafe in
Knippa. Ede's Cafe is
located on Highway 90.

Soybean varieties, plant-
ing dates, insects, produc-
tion problems, etc., will be
seen and discussed on the
Tour by Dr. Ed Colburn,
Area Agronomist, Uvalde

Extension and Research
Center.

There will be two stops
in Uvalde County close to
Knippa. Stops will be
made at the Glenn
Gooding farm near Hondo
and Flander's farms near
Castroville. The last stop
will be at the Phil Aelvoet
farm in Bexar County.

Following the stop in
Hondo the group will stop
for a Dutch Treat Lunch
at Hermann Sons Steak
House.

F H A holds first meeting

The Hondo Chapter of
Future Homemakers of
America held its first
meeting of the year
Monday night, the 10th of
September at 7:30 p.m. in
the Homemaking Building.

Mariette Aelvoet, chap-
ter president, presided at
the meeting. At the first
of the program all of the
business was taken care
of. The chapter voted on
the cost of dues for the
coming year.

The chapter also divided
into groups with each
officer assigned a group.
The purpose of this was to
obtain suggestions for
future programs from each
group. And the final part
of the business was the
election of a chapter beau.
Mike Groff was chosen.

Dianne Lively, F.H.A.
area officer, gave a
program on her visit to
the National F.H.A. Meet-
ing held in Dallas.

The Meeting was ad-
journd and refreshments
were served.

Cassie graduates

Navy Airman Recruit
John S. Cassie, son of Mr.
and Mrs. J. C. Cassie of
Route 1, Devine, gradu-
ated from recruit training
at the Naval Training
Center here.

advertising is news

Advertisements most merchants run in
the Herald are really news announce-
ments - new products, new styles, new
services, new prices. It helps merchants
serve you better when they know which
news interests you most. The best way
to tell them is to read and respond to
their advertising.

Cowboys beat Bandera; eye Comfort next

The D'Hanis Cowboys extended their string of victories to three Saturday night, burying the Bandera Bulldogs 40-6 at Cowboy Stadium in D'Hanis.

It was a bad night for the Bandera boys, but a good one for the Cowboy defense. Lee Roy Reyes had an especially good game for D'Hanis, recovering two Bandera fumbles and repeatedly dropping Bulldog running backs for losses. Also in fine form were Ronnie Koch, Joseph Nester, Frank Sandoval, and Albert Rodriguez.

The Cowboys lost no time getting on the scoreboard. Taking the kickoff from their 42, the D'Hanis boys drove 58 yards for a touchdown.

Bobby Joe Rothe sneaked in from the 7 after a pass interference call had

put the ball on the 2 and a procedure penalty moved it out 5 more yards. The point-after run was good, and D'Hanis led 8-0 two minutes into the ball game.

In the second quarter, Bobby Joe fired a 15-yard scoring strike to Freddie Muniz to cap off a brutal 96-yard drive. That drive saw strong running by Ronny Rothe and Richard Rothe, in addition to Bobby Joe's keepers. So,

with 4:14 in the half, the score stood 15-0 as Eric Rothe's PAT kick split the crossbars.

The Bulldogs took the kickoff and, aided by a 44-yard screen pass play, drove to the Cowboy 2-yard line. From there, Bandera QB Steven Franks hit Brett Morris for a short scoring pass with 21 seconds remaining in the half. The extra point was no good.

But 21 seconds was enough for another D'Hanis score as Bobby Joe Rothe took the kickoff on his own 15-yard line and never stopped until the Cowboys led 21-6.

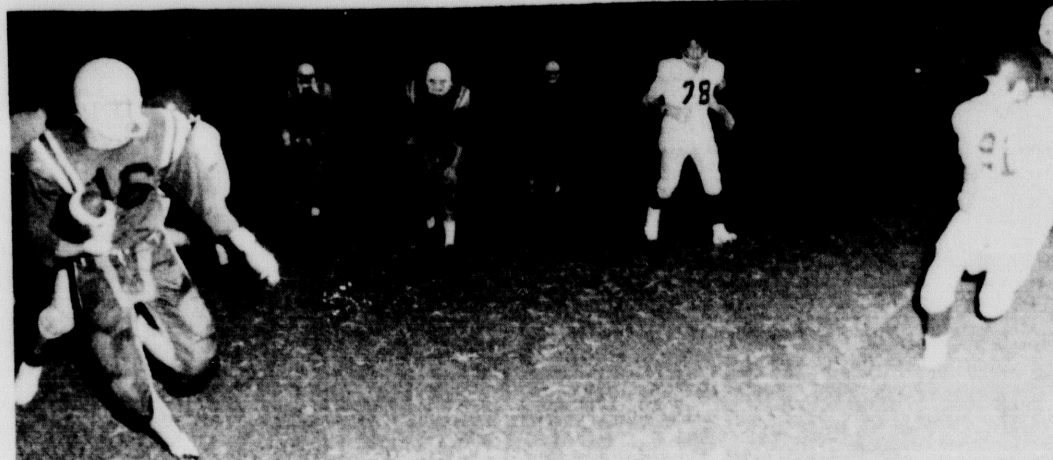

After the half, it was all D'Hanis as Bandera had three drives stopped by fumbles. Richard Rothe rounded the corner on an end sweep for 10 yards and 6 more points midway in the third quarter. Eric Rothe's kick was true, and D'Hanis led 28-6.

A recovered fumble set up a 54-yard scoring drive in two plays. Eric Rothe broke over tackle and left everyone behind for a 35-yard scoring run with 8:17 left in the game.

His own PAT kick was not good, so D'Hanis led 34-6.

The Cowboys finished the night's scoring as Lee Roy Reyes fell on another fumble and the Cowboys took it 68 yards in four plays. Bobby Joe ran it in 24 yards, but it appeared a clip had wiped the score out. However, it was ruled that Rothe was in the end zone when the infraction occurred, and the score stood D'Hanis 40, Bandera 6. The extra-point try was not good.

Saturday night, the Cowboys journey to Compton in an 8 p.m. game.

BOBBY JOE ROTHE... puts new meaning into the "quarterback sneak". (Photo by Fr. Victor)

B-Team wins again; Frosh lose

The Hondo B-Team kept clean its winning record Thursday as they blanked the Pearsall B squad 8-0 at Barry Field in Hondo. The game was a scoreless defensive tussle

until early in the fourth quarter. The Owls drove to the Pearsall 8-yard line on a series of David Knowles passes. Raul Dominguez took the ball in for the score.

The Pearsall boys were effectively stifled by the Hondo defense, earning only two first downs in the second half. Meanwhile, the Hondo team goes into its fourth game tonight at Devine with a 3-0 record for the year.

Fish Lose

The Hondo Freshman team absorbed a 47-0 licking by the Pearsall Frosh Thursday night at Barry Field.

No fewer than twelve fumbles were suffered by the Owls, and eight of those were recovered by Pearsall players.

Meanwhile, the Pearsall offense had little trouble with the Hondo defense as they scored seven times. The loss drops Hondo to an 0-2-1 record so far in the year.

Tonight the Owl Freshmen still look for their first victory against the Devine Freshmen, at Devine. Game time is 6 p.m. Thursday.

Fall hunting forecasts

With North Zone dove hunting well underway and early teal season coming up, it's high time to consider what is in store for Texas hunters this fall.

Just about everyone will agree that range conditions across the state are excellent and have provided the basis for good production of fawns, quail chicks and fledgling doves as well as fattening up the adults.

All the spring and early summer rainfall has created an abundance of food and cover in most parts of Texas. There is a paradox in all this plenty. It's hard to hunt almost any species of game if they don't have to move around for food.

Mourning dove hunters on the opening weekend can tell the tale -- doves were scattered with few concentrations and a shot-gunner had to work to get his limit of birds.

Deer hunters over most of the state can also expect to work hard for their deer come Nov. 17.

By species, here is how the 1973-74 hunting season looks as of the middle of September:

Deer

Good fawn production across the state with the possible exception of Northeast Texas where some fawns have been lost. There have also been reports of fawn losses in Llano County, the top deer hunting county last year. Biologists cite a lack of rain in the late summer which could have weakened the young deer and made them susceptible to disease.

Of course, fawn production will not affect this year's hunting but should figure into future seasons.

Biologists say that screwworms seem to have had little adverse effects on the state's deer this year. According to the Department of Agriculture, Texas can expect the heaviest screwworm incidence this fall and by that time bucks will have shed the velvet on their antlers, a main point of screwworm entry on adult buck deer.

Even with last year's comparatively large incidence of screwworms, few deer apparently were lost. Out in the Trans-Pecos, Parks and Wildlife Department information officer Rodger McKown of El Paso predicts an overall good season for both whitetails and mule deer.

According to McKown, range conditions are good but biologists and wardens report that some counties such as El Paso and Hudspeth have few deer. Mule deer antler growth is good.

Turkey

Telemetry studies by wildlife biologists indicate that Rio Grande turkey production is down this year in the Edwards Plateau, one of the state's major turkey-producing areas.

Fewer turkey poult will reduce overall harvest but sufficient numbers of adult birds should be present in both the Edwards Plateau and Possum Kingdom Regulatory Districts.

Quail

Continued heavy rains along the coast have forced ground-nesting bobwhites from their nests and, consequently, breeding activity is late both there and in South Texas. Ernest Marsh expects the birds to continue nesting up to November and

warns hunters to anticipate a large number of young birds in their game sacks come opening day in November. Quail population figures along the coast and in South Texas will depend on the amount of production in the next 45 days.

Scaled quail nesting activity in the western portion of Texas seems to have fared better than that of the bobwhites. Scaled or blue quail produced earlier than bobs and ample rains in some parts of West Texas in July should mean excellent production.

Quail in the Edwards Plateau of Central Texas look good, even for an area which is not usually known for its quail hunting.

Mourning Doves

We'll confine our comments to hunting prospects in the South Zone since our earlier predictions of spotty North Zone hunting proved to be all too true.

Like quail, coastal mourning doves have had their nesting interrupted by rains and high winds. Considerable nesting is still going on and there should be plenty of young doves in game bags on opening day Sept. 22.

Few birds are presently evident except in the northern counties of the South Zone such as Bastrop and Guadalupe.

Waterfowl

Briefly, ducks are down and geese are up. Texas habitat is excellent for receiving waterfowl but a dry spring and summer on the Canadian prairie nesting grounds will reduce the number of ducks making it to Texas this year.

There is ample rain and a late rice harvest on the coast should combine to provide excellent range for wintering ducks.

LEGAL NOTICES

NOTICE

The Texas State Depart-
ment of Health has estab-
lished, in accordance with
the Federal Public Health
Act, the current annual
level of uncompensated ser-
vices for Medina Memorial
Hospital, Hondo, Texas to
be that the facility does not
intend to deny anyone ad-
mission to the facility or
any of its services because
of an inability to pay. The

documents upon which the
determination was based
are available for public in-
spection at the Texas State
Department of Health, 1100
West 49th St., Austin, Tex-
as from 9 am to 4:30 pm
on regular business days.
The level of services set
out meets the presumptive
compliance guidelines of the
Federal regulation.

J. E. Peavy, M.D.
Commissioner of Health

CARD OF

THANKS

We are sincerely grateful
for friends and neighbors for
their many kind acts of sym-
pathy during our sad bereavement.
Our appreciation cannot
be adequately expressed.
Our thanks to the personnel
of Castroville Clinic and to
the staff of Brown's Nursing
home. Special thanks to Dr.
Eckert of Castroville and Dr.
Parker Meyer and to Rev.
Duberly and the other min-
isters of the various churches
who visited with her and for
their prayers, cards, memo-
rials and flowers and visits
during the time she was in
the hospital and the conva-
lescent home.

Owls meet St. Gerard's in final non-district tilt

The Longest Day was nothing compared to last Friday night at San Antonio as the Owls were trampled by the Samuel Clemens Buffaloes, 32-14.

A 73-yard Finger-Paul Pope aerial closed the gap to 32-14. Before it was over, the Owls had lost their first game of 1973, and the Buffs were 2-1.

First Downs, 8-25; Rushing yardage, 41-201; Passes (yards) 6-16-2 for 160, 13-21-1 for 177; Penalties 5 for 35 yds., 12 for 90; Fumbles, 3-0.

How they fared

District 28-AA featured something of everything Friday night - wins, losses, and a draw.

A game between winless teams Cotulla and Benavides ended in a discouraging 0-0 tie.

Hondo lost its undefeated rating to Samuel Clemens, 32-14. Devine and Dilley cling to their perfect records into the final week of non-district play.

Pearsall is now 2-1 after blanking Pleasanton 14-0. Medina Valley took its first win of 1973 with a 20-0 whitewash of Boerne.

Mr. C. had set down his pole after casting into the reservoir, when a big fish grabbed the bait and hauled his entire rig into the lake.

Looking for aid, he ran across Mrs. P. down the shoreline. He asked her to reel in her line and hopefully snag his own line in the process, and she did.

Out came the tackle with a 15-pound Northern pike on the hook. Mr. C. weighed the prize and submitted it as a new state record.

Reading Mr. C's name attached to the new record pike, Mrs. P. protested that it was her catch, not his.

Ordinarily, the records committee is up to every other record proposal, but this one has them stumped. They invite any readers with a sound solution to submit suggestions to them at the John H. Reagan Building in Austin, Texas, 78701.

Meanwhile, fish records chairman Richard McCune has a suggestion of his own. "What we need now is a 16-pound pike."

However, Nebraska is still Number One this week, challenged by runner-up Alabama. The Cornhuskers have a little easier task this Saturday than last as they play Wisconsin. The Tide meets Vanderbilt. And depending on the outcome of Southern Cal-Oklahoma, the two powers could still be on top next week. Nebraska will dump the Badgers by 35, and Alabama will top the Commodores by - wow - 55 points!

An old nemesis faces 8th-ranked Notre Dame. The Boilermakers of Purdue, thorns in the sides of the Fighting Irish in past years, meet the Irish in West Lafayette. The Riveters are much more of a darkhorse this fall, but are still figured to be an 18-point underdog to Notre Dame.

The two powers in the Big Ten, Michigan and Ohio State, are rated 5th and 7th respectively in our national rankings. The Buckeyes will clip T.C.U. by 20 points, and the Wolverines are a heavy 35-point choice over Navy.

Miami, the big upsetter a week ago, goes after Florida State Saturday. The 12th-rated Hurricanes will win by 25 points.

Three other members of the Big 8 Conference are in the Top 20 again. Oklahoma State is a surprising 6th, Iowa State is 13th, and Missouri is #14. The Cowboys are favored over Southern Illinois by 49 points. The Cyclones will be a 15-point winner over Arkansas, and Mizzou will take North Carolina by sixteen.

In the Southeast Conference, match-ups between conference title contenders and national powers occur almost weekly. This Saturday, it's Tennessee against Auburn. Last fall, the Tigers upset the Volunteers, 10-6, and this year - well, it could be the same story. Auburn is favored by just one point.

DEFENSE HAD ITS BRIGHT MOMENTS. Last Friday night, Harry Mock [11] was stopped on this play by Leslie Taylor [22] and Gene McNelly [40] as Lynn

Martin [74], and an unidentified Owl get in on the action. [Photo by Rudy Proctor]

Committee hooked in fish record row

It was just another day at the Texas Parks and Wildlife Department's record committee office, until the following problem was posed:

"Who gets credit for a record fish - is it the person whose hook, line and tackle are attached to the fish, or is it the one who lands the fish - hook, line, tackle and all?"

Such was the problem, and it arose from an incident at Greenbelt Reservoir in the Panhandle.

Mr. C. had set down his pole after casting into the reservoir, when a big fish

grabbed the bait and hauled his entire rig into the lake.

Looking for aid, he ran across Mrs. P. down the shoreline. He asked her to reel in her line and hopefully snag his own line in the process, and she did.

Out came the tackle with a 15-pound Northern pike on the hook. Mr. C. weighed the prize and submitted it as a new state record.

Reading Mr. C's name attached to the new record pike, Mrs. P. protested that it was her catch, not his.

Ordinarily, the records committee is up to every other record proposal, but this one has them stumped. They invite any readers with a sound solution to submit suggestions to them at the John H. Reagan Building in Austin, Texas, 78701.

Meanwhile, fish records chairman Richard McCune has a suggestion of his own. "What we need now is a 16-pound pike."

However, Nebraska is still Number One this week, challenged by runner-up Alabama. The Cornhuskers have a little easier task this Saturday than last as they play Wisconsin. The Tide meets Vanderbilt. And depending on the outcome of Southern Cal-Oklahoma, the two powers could still be on top next week. Nebraska will dump the Badgers by 35, and Alabama will top the Commodores by - wow - 55 points!

Harmon picks winners

The first week the headliner was U.C.L.A.-Nebraska... the second week, L.S.U.-Colorado... last week, it was north Carolina State-Nebraska... and this week, the national spotlight is on the blockbuster between Oklahoma and Southern California.

They're ranked 3rd and 4th in that order in our top 20. The Sooners have had a week off since their impressive trouncing of Baylor in their season opener, and the Trojans have defeated Arkansas and Georgia Tech on successive Saturdays. Both teams are capable of such offensive explosions, it should be a tremendous show. Our pick is possibly a surprise: Oklahoma by nine points.

However, Nebraska is still Number One this week, challenged by runner-up Alabama. The Cornhuskers have a little easier task this Saturday than last as they play Wisconsin. The Tide meets Vanderbilt. And depending on the outcome of Southern Cal-Oklahoma, the two powers could still be on top next week. Nebraska will dump the Badgers by 35, and Alabama will top the Commodores by - wow - 55 points!

SPORT FACTS

In 46 years (through 1972), the Hondo Owls have won 336 games, lost 124, and tied 24. In that time they have won their district 22 times.

Tom Bridges, who lives in Hondo, coached the Owls 15 years in a row from 1939 through 1953.

The longest winning streak in college football is the 47 straight set by Oklahoma and the longest unbeaten streak is 63 games (59 won - 4 tied) by Washington from 1907 - 1917.

Natalia & Chacon Lake News

Mr. and Mrs. Julian Alvarado honored their son, Gary, on his thirteenth birthday, Saturday, September 8, with a party at their home. Games were played and the group enjoyed horseback riding and a hayride. Those attending were the honoree's maternal grandparents, Mr. and Mrs. J. B. Robles, Grass Farm, Texas, his aunts, uncle and cousins, Mr. and Mrs. Jesse Rabago and Jesse, Jr., Mrs. Ada Sandavol, Sandra and Johnny, San Antonio, Melinda Hart and Gregory McMillan. Refreshments of cake ice cream and punch were served.

Mr. and Mrs. Melton McMillan honored their mother, Mrs. John L. Kempf with a birthday dinner at their home Sunday. Guests were the honoree and Mr. and Mrs. David McMillan, Centerpoint, Miss Cindy Null, Lytle, Lewis Bruce and Gregory McMillan.

Mr. and Mrs. Jimmy Capps and Tommy from San Francisco, California, arrived Saturday for a visit with his parents, Mr. and Mrs. Wayne Capps. Jimmy was released from the Navy August 30. The Capps son and daughter-in-law, the Jerry Capps, Houston, came Saturday for the weekend.

The Velda B. Alexanders, Ronnie and Keith, San Antonio, came out Sunday for the afternoon with his parents, the V. B. Alexanders, Sr.

Mr. and Mrs. Leroy L. Armke, James and Dayton, motored to Blanco Friday evening and visited until Sunday morning with her mother, Mrs. John Jones. From there they journeyed on to Fredericksburg for the day with the Armke's son and family, the Forrest J. Armkes and Amy. James left Sunday afternoon for College Station to resume his studies at Texas A&M University.

Mr. and Mrs. Estel Banks left Sunday afternoon to return to their home in Houston after visiting a week with his mother, Mrs. J. S. Banks and Mrs. Banks dividing time with her sister and brother-in-law, the Wayne Capps.

Mrs. Claude M. Shaw and Miss Leona Vance visited from Friday until Monday afternoon in San Antonio dividing time with her son and family, the Jack Vances and her two daughters and families, the Wayne Buchanons and the Richard Pages and the Roland Saathoffs. They attended the wedding Saturday night of Mrs. Shaw's grandson,

Patrick Joseph Vance and Miss Linda Joyce Leinweber in Hope Lutheran Church and the reception at Holiday Inn.

Mr. and Mrs. Michael Simms came out home Saturday for the weekend after visiting a week in the home of his parents, the Lawrence Sims, San Antonio. Michael was taking therapy treatments each day on his leg which was severely injured when a wheel came off a race car while attending the races at Pan American Speedway several weeks ago.

Mr. and Mrs. W. W. Shults have given their home a face lifting by putting white vinyl siding on the outside with fiberglass trim paneling and acoustical ceiling in their living room and paneling and putting acoustical ceiling and new cabinets in the kitchen.

Mr. and Mrs. Panfilo Juarez left by bus Saturday morning for Abilene, Texas, to visit their daughter and family, the Johnny Vasquez, and their sons and daughters-in-law and grandchildren, the Edward Juarezes and Mr. and Mrs. Ray Juarez.

Airman Luciano Pena left Sunday morning to return to his base in Columbus, Mississippi, after having visited ten days with his parents, Mr.

and Mrs. Luciano Pena, Sr., and Don.

Mr. and Mrs. Albert J. Saldana, Gilda Daniel and Ralph, attended the football game between the Toros and Oklahoma Wranglers at the Alamo Stadium, San Antonio, Sunday night.

Mrs. Pano Morales who was a patient in the Villa Rosa Hospital, San Antonio, was released Sunday for the day at her home with her family, Mr. Morales, Richard, Rebecca and Ralph.

Mr. and Mrs. Johnny Valdez are now making their home in Austin. Their son, Reuben, is spending the week with his grandparents, Mr. and Mrs. Luciano Pena, while his parents are getting settled in their new home.

Mrs. Cyrus Reagan is now at her home at Charco after visiting a month with her son and family, the C. T. Reagans and Billy.

Mr. Lee Estep who had been in intensive care for a week in the Methodist Hospital was moved to a room Monday morning.

Airman First Class Victor Guevara from Norton Air Force Base, California, who arrived home on Tuesday, August 14, for an extended leave with his parents, Mr. and Mrs. Victor Guevara and his wife, the former, Jo Ann Longoria of San Antonio, left Saturday to return to his base. His wife accompanied him back to Norton to establish a home. Mr. and Mrs. Guevara honored the couple with a farewell dinner at their home on Sunday, September 2nd.

Mr. and Mrs. Frank LaPenta, Esther, Mary and Joe, San Antonio, came out Sunday for the day with Mrs. LaPenta's father, J. A. Vasquez, and they were guests at the Natalia Baptist Church Sunday morning.

Mr. and Mrs. Maurice Vanlandingham from Germany are dividing the week visiting the William R. Jacksons and the Pat Garlingtons in San Antonio. Mr. Vanlandingham is retiring after thirty years of military duty. He and his wife will make their home in Sierra Vista, Arizona.

D'Hanis News

Mrs. A. F. Harborth of Seguin is presently convalescing from surgery in the home of her daughter, Mrs. Dan Herrmann.

Mr. and Mrs. Jake Weynand, Mr. and Mrs. Oscar Nester, and Mr. and Mrs. Marvin Weynand of Hondo were among those who attended the Rosary service for Lawrence Lee Mollere last Tuesday evening at Southside Funeral Chapel in San Antonio.

Mr. and Mrs. Bob Golden of Omaha, Nebraska and their daughter, Mrs. Jim (Cathy) Wookwaller and her baby daughter, Julie, of Rome, New York, spent several days in the home of Mrs. Eric Rothe last week.

Among those attending the funeral service for Mr. Bill Turner on Saturday, Sept. 8, from Southside Funeral Home in San Antonio were: Mrs. Pauline Scott, Mr. and Mrs. Maurice Koch, Mr. and Mrs. Raymond Nester, Mrs. Ben Koch, John B. Nester and John J. Nester and from Hondo - Mrs. Arnold Zerr and Molly.

Mr. and Mrs. Louis Carle, Mrs. Lawrence Carle, Mrs. Joe Mueller, Mrs. Sam Zerr, Ralph Zerr, Mrs. A. J. Finger and Mr. and Mrs. W. P. (Bud) Guinn of Hondo were among those who attended the special showing of the Frost Bank Tower on Thursday evening in San Antonio and the reception that followed.

Mrs. A. J. Finger and Mrs. Ben Koch spent several days last week with their children in San Antonio.

Mr. and Mrs. John Tondre and Jeff of Victoria were weekend visitors in the home of Mrs. O. W. Tondre.

Thou sands depend
on Edwards
underground water

Thousands of private well owners in Uvalde, Medina, Bexar, Comal and Hays Counties, who do not have access to municipal water systems, rely on the purity of the Edwards Underground Reservoir. Let's keep this water free from pollution, the Edwards Underground Water District says.

One septic tank owner with a poorly made tank can pollute not only his own water but his neighbor's water as well. Observe the rules of the Texas Water Quality Board, the Edwards Under- ground Water District strongly recommends.

The waters of the Edwards Underground Reservoir do not need purifying as does surface water from lakes and rivers. The Edwards is one of the wonders of Nature.

The Edwards Aquifer provides easy access to a dependable water supply. This saves tax dollars by the millions.

An Allons is a geo- logical unit that carries water for economic pur- poses and purifies that water in the process, and in this respect the Ed- wards Aquifer has few equals in the world, said Dr. Zane Speigel, noted water authority from Al- buquerque, N. M. in recent testimony in San Antonio.

The best things in life are free. The Edwards Underground Reservoir is Nature's free gift to the people of this area. The Edwards provides drink- able water in great quantity. Water taken from the Edwards does not require treatment today. Let's keep it that way for tomorrow, too.

Bond Sales

Series E and H United States Savings Bond sales in Medina County during the month of July totaled \$9,741, according to County Bond Chairman Albert L. Vance.

Sales for the seven-month period were \$83,199 for 55% of the 1973 goal of \$150,000.

Sales in Texas during the month amounted to \$17,185,499, while sales for the seven-month period totaled \$137,169,781 with 63% of the yearly goal of \$216.6 million goal achieved.

Library News

The first Fall meeting of the Board of Trustees, Hondo Public Library, was held Tuesday, Sept. 18, at 7:30 p.m. at the library. Mrs. Lottie Maw, librarian reported on the many activities of the library during the summer months.

Readers continue to make those greatly appre- ciated and needed dona- tions. In recent weeks the library has received gifts of many youth and fiction books from Lynda McWil- liams, Rebecca Sanchez, Suzie Timmerman and Josie Finger of D'Hanis.

Paperbacks and maga- zines were contributed by Mrs. Robert Riff, the Paul Reilly family, Nancy Buescher, Mrs. J. F. Deloney, Robert Teague, Mr. and Mrs. O. M. Redus, Elsie Rushing, Van- etta Felts and Gena Reilly.

It would be of great assistance to the library if those readers holding overdue books would co- operate as well as our donors, and return their books so that others may read them.

Remember, the book- drop is easily available at all hours. Regular library hours are 11:30 a.m. to 5:30 p.m., Monday through Friday.

Overstreet enlists at
baseball tilt

SAN ANTONIO - Ar- my Private Kenneth J. Overstreet, Jr., 19, whose parents live in Devine, was among 170 young men who enlisted as a unit between home games of a San Antonio Brewers Doubleheader last month.

Five regular Army units combined to sponsor the

Alamo Platoon in one of the largest enlistment cere- monies in Army history. The young men were afforded all the options of current recruiting benefits even though they were sworn in as a group.

The ceremony and sev- eral demonstrations and displays were witnessed by more than 6,700 people.
